LOCATION

North East ISD spans approximately 133 square miles in the north central and northeast sectors of Bexar County. The majority of the District lies within the boundaries of the city of San Antonio, but several smaller communities are also encompassed within NEISD, including the cities of Castle Hills, Hill Country Village, Hollywood Park and Windcrest.

DISTRICT SIZE

Total student enrollment in North East ISD is projected to be more than 66,400 during the 2017-2018 school year. Forty six elementary schools are expected to serve about 39,900 students in prekindergarten through fifth grade. Up to 15,000 students are expected in the District's 14 middle schools and three middle school magnet programs, and about 21,500 students are expected to be enrolled in NEISD's eight high schools, the Academy of Creative Education (non-traditional dropout prevention campus) and the District's high school magnet programs.

ACCREDITATION

All campuses in North East ISD are fully accredited by the Texas Education Agency. In addition, NEISD has a National Exemplary After-School program at every elementary school and middle school through it's Adult and Community Education department.

REGISTRATION

Eligibility: All students who reside within the boundaries of North East ISD are eligible for enrollment in District schools. However, the District has limited new student enrollment at some campuses due to overcrowding. You can find a listing of these capped schools and other boundary information at www.neisd.net/boundaries.html.

Kindergarten and First Grade: According to state law, a child who has reached five years of age on or before September 1 of the current school year is eligible to attend kindergarten. Children enrolling in first grade must be six years of age by September 1 of the current school year.

ATTENDANCE

Once a child is enrolled in public school, state attendance laws will apply. Under the law, if a student is absent from school on 10 or more days or parts of days within a six-month period in the same school year, then (1) The student's parent is subject to prosecution under Section 25.093, and (2) The student is subject to referral to a truancy court for truant conduct under Section 25.0915 of the Texas Education Code.

TRANSPORTATION

Services are provided for all students living two or more miles from their designated school of attendance. Some students may also receive transportation along hazardous routes.
