

Dinosaur!  
February 20, 2012  
Piper Bass Student Center  
12002 Jones Maltsberger  
\$30 per Student

Join the fun and adventure as we explore the Witte Museum's Dinosaur Exhibit and the interactive H-E-B Science Treehouse on the banks of the San Antonio River. The four-level treehouse features hands-on science exhibits for all ages, a Dinosaur Dig and Small World Science. Your child will be amazed by simple science and nature-themed activities. Experience a wondrous day filled with discoveries and fun filled activities. Interactive programs provide hands-on, minds-on learning and fun.

***Register early---space is limited!***

Online registration forms and additional information is available at [www.communityed.neisd.net](http://www.communityed.neisd.net) under **KIDS CAMPS** or call the Community Learning Center office, 210- 407-0149 or in person at 8750 Tesoro Dr., San Antonio, TX. Last day for registration is February 15, 2012. Program available to all NEISD students
