## FOR IMMEDIATE RELEASE

### **Planning NEISD's future, community invited** *District holds public planning meeting*

**December 7, 2010** – North East ISD will hold its second public Planning the Future meeting to seek input from residents on the direction of NEISD's future. The district held its first meeting in November and discussed the district's growth history, current financial situation and how bonds have been used in the past.

The planning meeting will take place **Thursday, December 9, 2010 at 7 p.m. at the North East Community Learning Center, 8750 Tesoro Drive, Suite 217**. The meeting is open to the public.

NEISD continues to be faced with challenges, such as an increasing student population, an uncertain state financial situation and more rigorous academic standards. Community members will be asked to help NEISD explore areas of relief, which may or may not include a future bond.

During this meeting, the discussion will focus on prioritizing issues for the district and what the future holds. The information gathered from these meetings will be presented to the North East Board of Trustees in February 2011.
