

TAKS Preparation

TAKS resources for use at ACE or at home!

- **Test your stuff!** – The Texas Education Agency (TEA) releases the previous year's TAKS tests, allowing students the opportunity to take the tests online and have them graded on the spot. This is a very useful tool in preparing yourself for TAKS.

- **T.R.A.C.K** – TAKS Readiness and Core Knowledge. In TRACK students will find diagnostics to measure understanding of the Texas Essential Knowledge and Skills (TEKS) objectives, and a library of learning tutorials to help students master those objectives. Hundreds of thousands of students in Texas have used TRACK since it was first offered in February 2004!
