**STUDENT AND PARENT COMMITMENT**

We understand that the Automotive Technology Academy is designed for students interested in pursuing an automotive career. Acceptance into summer camp involves a commitment from both parents and students. Students must follow the student handbook guidelines established by their home campus and NEISD. If accepted, we understand that satisfactory behavior, conduct, attendance, and academic progress are mandatory for summer enrollment. Transportation is provided for NEISD students from their cluster home high school campus to ATA and back.
