STUDENTS WILL EXPERIENCE:

- A thorough knowledge of automotive systems and components
- Problem solving skills
- Reading and writing skills
- Computer skills
- Communication skills
- Specialized internships and scholarship opportunities

ADMISSION PROCEDURES AND CRITERIA

Admission is based on the following criteria: career interest, satisfactory attendance, satisfactory conduct (citizenship reports on report cards and office referrals are reviewed), satisfactory standardized test scores, and at least a “C” average in previous high school courses.

STUDENT AND PARENT COMMITMENT

We understand that the Automotive Technology Academy is designed for students interested in pursuing an automotive career. Acceptance into the ATA involves a commitment from both parents and students. Students must follow the student handbook guidelines established by their home campus and NEISD. Students must respect all individuals and the property belonging to fellow students, teachers, and ATA. If accepted, we understand that satisfactory behavior, conduct, attendance, and academic progress are mandatory for continued enrollment. Transportation is provided for NEISD students from their home high school campus to ATA and back. We agree to abide by all NEISD policies including discipline, regular and punctual attendance, good conduct and passing grades. Since computer technology and internet access is offered, we agree to ethical practices regarding computer security and communication networks.
