

# Extra...Extra!!!

*Will your child be entering Kindergarten in 2010-2011 at Coker?*

*Would you like for your child to acquire a second language?*

*Would you like your child to excel as a bilingual, bi-literate student?*

*Want to know more about the life-long benefits of bilingualism?*

If you answered YES to any of the above questions then we have the perfect program for you and your child!

Join us Monday, November 16th for information regarding the **Dual Language Program** which will be offered to students who live in the Coker attendance area. Again, this is an opportunity for any **Kinder** child to develop bi-literacy with Spanish and Non-Spanish speaking peers.

**Monday, November 16, 2009 10:00 a.m. Coker Library**

Your support and participation in your child's educational experiences are always appreciated. We look forward to seeing you and hope that you and your child will take advantage of this opportunity to be a part of this wonderful program.

If you would like more information please feel free to contact us at 491-8400 ext. 242

Mrs. Glennie Lecoche, Coker Principal

Mrs. Marcela Csitkovits, Bilingual Specialist

**\* Please call us at 491-8400 if you are planning to attend. \***
