### COURSE COMMITMENT—SIGNATURES REQUIRED!

Students and parents are reminded that course selection determines how the school's schedule is built, faculty is hired, and room assignments are made. Therefore, course change requests must be made in writing (with parent signature) by June 10, 2010. Your course selections on this choice sheet are your commitment to the courses unless you adjust your request by JUNE 10, 2010. After this date, changes are considered strictly on a space available basis **AFTER SCHOOL BEGINS.**

Taking several Pre AP courses can be extremely demanding along with extracurricular activities and their commitments. Choose carefully, keeping in mind your abilities and commitment to the work. **Deciding your classes are too demanding WILL NOT automatically result in a schedule change.**

Dropping a course after the first fifteen school days in a semester will result in a withdrawn failing (WF) which is averaged into your GPA as a zero and the WF is recorded on your transcript. The student is ineligible for UIL activities for the remainder of the semester following the receipt of a WF.

**I understand the above commitment to the choices on this course selection sheet.**
