

Full name _____

Record sheet for the Fall / Spring semester

Member of DATA Class of 20_____

Grade 9 / 10 / 11 / 12 (please circle semester & grade)

DATA Community Service Record Sheet

Please complete a row in the table below each time you participate in a community service activity. In order for the community service hours to be valid, all of the boxes for that row must be filled-in. If you have any additional documentation (letters, e-mails, "thank you" notes, etc.) please staple them behind this page. If you are unsure whether or not an activity can be considered for "community service" please speak to Mrs. FitzSimon. Remember: To graduate as a DATA student, you must complete a total of 120 community service hours during your four years of high school; this averages to 15 hours per semester.

Date of Service	# of hours	Brief description of service activity	Printed name of adult sponsor	Signature of adult sponsor	E-mail address or phone number for verification

At the end of the semester, return this record sheet to DATA secretary.
