(210) 657-8820 – FAX (210) 657-8920

August 2011

Your cafeteria staff welcomes you to the 2011-2012 school year. The cafeteria offers a variety of breakfast and lunch choices each day which meet requirements of the Child Nutrition Program. The Middle School menu and food selections will change this year. All lines in the school cafeteria will offer student meals for \$2.05.

The meal options will feature cafeteria lines that “Savor the Flavor”. These lines will offer flavorful choices of such items as spaghetti, chicken fried steak or pizza. Two choices will be offered each day and on both lines. The other line offering is “From the Grill and Beyond”. This line will offer lunches that feature many sandwich favorites, such as hamburgers, chicken sandwiches, etc.

All lines are open to all students and the lunch is \$2.05. Free and reduced-price meal benefits may be used on all lines. The lunch not only includes the main entrée or sandwich, but also includes hot vegetables, salad, and fruit selections as well as milk. It is a great deal!

New this year is a **salad bar**! Students will be able to choose from fresh fruits and vegetables, meats, bread and milk. The salad bar is the same price as the school lunch. Free and reduced meal benefits may be used here also.

## This is how your cafeteria account system works:

1. **PIN Number.** Each student will have a PIN. Your PIN is your administrative number.
2. **Key your PIN Number into the pin pad at any register location. Your account will appear for the cashier.**
3. **Payments:** We encourage you to prepay your meals. You may prepay for meals in a variety of ways:
  - Online credit card through **MyLunchMoney.com** offers you the convenience of putting funds into your child’s account at anytime and for any amount. There is a convenience fee of \$1.95 per transaction.
  - Cash or checks may be sent to the cafeteria and deposited into your child’s account. **Payment envelopes are available from the school cafeteria.**
  - Students may bring cash daily for their meals.
  - You may use your prepaid amount to purchase meals and/or additional items such as drinks or desserts.
4. **Protect your PIN Number.** The student will be the only one to key his/her PIN, even the cashier will not know the student’s pin number. Students may **not** share funds on meal accounts.

Please try to keep some money in your account. Your cafeteria also offers you a prepayment plan. **Students will not be allowed to purchase a meal or other items unless funds are available.** You may view your daily account balance on the NEISD parent portal at [www.neisd.net](http://www.neisd.net) or [www.MyLunchMoney.com](http://www.MyLunchMoney.com) if you have an account established.

If you have any questions about the school cafeteria, contact your cafeteria manager or the School Nutrition Services office at 657-8820.

Please join us for breakfast and lunch each day. We look forward to serving you!
