

- **Assessment**

- Aligned with TEKS & STAAR
- Data disaggregated for re-teach and intervention opportunities
- Lesson planning starts with the end in mind

- **Rigor**

- Content grade level planning meetings to define what rigor is and what it should look like in our classrooms
- Weekly teacher tips on increasing rigor in Jimenez's Headlines
- Leadership Team weekly focus on looking for rigor in walks
- *Focus* by Schmoker book study with Department Chairs

- **Critical sub-populations**

- SPED, LEP & Economically Disadvantaged

- **Authentic literacy**

- It is integral to both what and how we teach
- It is incorporating reading, writing and talking in our classrooms
