

SUMMER WRITING - SUMMER FUN!

Are you ready for some summer fun? Swimming, playing, vacationing, resting, biking, playing video games—these are just a few of the many activities you will be doing this summer. So, why not take out your summer journal and write about all of the fun things you will be doing.

You can use a spiral notebook, a composition book, or make your own journal. Attached are calendars of writing topics from which you can choose to write about, or you can choose to write about your own summer fun topics.

If you write at least 50 compositions of one-half to one page each, you will be rewarded with a Pizza Party and extra credit when you turn in your writing journal at the beginning of the 2008-2009 school year. Your fourth grade teacher will be looking forward to reading all about your summer. Have fun writing!!!!!!
