IMPORTANT INFORMATION

FOR ALL CURRENT SIXTH and SEVENTH GRADE STUDENTS (7TH AND 8TH GRADE STUDENTS FOR 2010-2011)

According to new state requirements, current 6th and 7th grade students (2009-2010) who will be in the 7th and 8th grade next school year (2010-2011) must have the following **NEW** immunizations to start school on August 23, 2010:

Tetanus/diphtheria/pertussis (TDaP) containing vaccine (7th Grade Students For 2010-2011 ONLY)

- One booster dose if at least 5 years have passed since the last tetanus-containing vaccine was received.

Varicella (Chickenpox) Vaccine

- Two doses of varicella vaccine. The first dose must have been given on or after the first birthday.

OR

- A written statement from the parent or health care provider stating the student's history of the illness and the approximate date of illness.

Meningococcal Vaccine

- One dose of meningococcal vaccine

Please submit all official documentation of immunizations or exemptions to the school nurse as soon as possible. All required immunizations must be completed and all students must have current immunization records on file with the school nurse on or before August 23, 2010 in order to attend school.

- **Make an appointment NOW with your physician to
AVOID THE RUSH THIS SUMMER.**
