COMMITMENT

We understand acceptance into the International School of the Americas involves a commitment of service to the school, adherence to the Code of Ethics (including all NEISD and campus policies), and participation in all required ISA classes. It requires an acceptance of parent participation in family nights, conferences, and service to the school helping in the classroom, chaperoning events, participating in parent forums, and participating in community projects. It also requires accepting the District's transportation contract. Transportation for NEISD students is provided from the student's NEISD home high school campus. Transportation is not provided from door to door or for students residing outside of NEISD boundaries.

We further understand that, as a school of choice, continued or serious violation of this commitment, the Code of Ethics, or NEISD and campus policy could result in the student's departure from the ISA community.
