Cowboy Cash for Learning

Dear Longs Creek Parents,

In reference to school fundraisers, many times parents have suggested to us that they would rather make a direct contribution to Longs Creek instead of buying fundraiser items that are often not useful. With difficult financial times in our nation, state and community, this seems the opportune time to look for a new way of covering the cost of our number one expense, educational field trips. These learning experiences outside the classroom are culminating events for grade level curriculum that add valuable meaning to what the students have been studying. The cost of an average field trip is ten to fifteen dollars which covers admission, bus driver's salary, and fuel. With 800 students in our school, you can see this is a sizeable amount of money. We will be scheduling only one field trip for each grade level that requires admission and transportation costs.

Educational Field Trips 2009-2010

Kinder – San Antonio Zoo

First – Sea World

Second – Institute of Texan Cultures

Third – Natural Bridge Caverns

Fourth – Mills Spring Cabin/Bradley Middle School

Fifth – Witte Museum

Traditionally our annual beginning of school fundraiser has been used to finance Longs Creek field trips. This year instead of a fundraiser we are asking families to use the attached envelope to make a donation so that we can continue off campus learning experiences for our students. The staff and students thank you in advance for your generous gift that will provide for a special experience they will remember for years to come. You may be employed by a company or business that would like to support Longs Creek. The school will also accept business or corporate gifts.

Sincerely,

Rich Cantrell
Principal
