## WHERE LEARNING GETS ANIMATED

### *Good news Parents! Our students have BrainPOP!*

We're happy to inform you that BrainPOP is now part of your children's curriculum. Longs Creek has purchased a subscription to this award-winning web-delivered resource, enhancing children's engagement in the classroom.

[BrainPOP](#) creates animated, curriculum-based content that supports educators and engages students. Hundreds of topics within Science, Social Studies, English, Math, Technology, Arts & Music and Health are all brought to life through short, animated movies and related interactive quizzes, and features. All content is aligned to and searchable by state standards.

Because [BrainPOP](#) is delivered entirely online, there's nothing to install or download. You can use *BrainPOP* resources with PCs, Macs, projectors, and interactive whiteboards. Getting started is easy by using the step-by-step [Getting Started Guide](#).

Your child's subscription to BrainPOP will remain active for the next 12 months during school hours and at home, in which time they will have full access to all the movies, quizzes, and interactive resources. Questions? Feel free to contact BrainPOP at 866.542.7246, check out the [Help](#) ([www.brainpop.com/help/](http://www.brainpop.com/help/)) section, or email them at [info@brainpop.com](mailto:info@brainpop.com).
