

Electrical Systems Technology CODE OF ETHICS

We, the Technology Apprenticeship Program, agree:

- To respect each other, including our feelings, differences, and property
- To take responsibility for our own words and actions
- To ask questions when we do not understand
- To listen, contribute, and learn everyday
- To work toward providing a positive learning atmosphere for all
- To be flexible
- To treat others as we expect to be treated

Students Initials _____

COMMITMENT

We understand acceptance in the MacArthur Electrical Systems Technology Technical Apprenticeship Program involves commitment for both parents and students. Students must follow student handbook guidelines established by the MacArthur campus and NEISD. Repeated disciplinary offenses or placement at the Student Reassignment Center (SRCO) could result in removal from TAP. Students must respect all individuals and property belonging to fellow students, teachers, TAP and MacArthur High School. Each student will be expected to participate in the Electrical Systems Technology Youth Leadership organization. Parents are asked to attend program functions and meetings. Other requirements include accepting the district's transportation contract. Transportation for NEISD students is provided from the student's NEISD home high school campus to MacArthur and back. NEISD students outside the MacArthur attendance area must make arrangements to arrive at their home campus prior to the MacArthur TAP shuttle departure time. Transportation is not provided for students residing outside NEISD boundaries.
