**Courses for summer school:** \_\_\_\_\_  
 Schedule change requests must be made in writing to the counselor with parent signature by 4:30 p.m. June 7th. Both student and parent should understand that courses selected are those that will be taken next year unless there is a scheduling conflict. Changes of mind or deciding that a course is too difficult may not result in a schedule change. Choose carefully and consider the work load that is required for multiple Pre-AP, AP, GT, and advanced-level courses along with work or extra curricular activities. Scheduling of courses is based upon initial choices and desired changes may not be available in the student schedule.
