Dear Parents,

We have hit the ground running for the second semester! This week we have a lot of exciting things happening at school:

1-10/Tuesday: Nimitz Health Fair (see attached flyer)
Cici's Pizza Night from 5-9 (located on San Pedro Ave.)

Cici's Pizza Night - enjoy a pizza night and support Nimitz Middle School! A portion of the proceeds comes back to our school.

1-11/Wednesday: Girls Basketball Games - 8th vs Garner @ Nimitz, 7th vs Garner @ Garner

1-12/Thursday: Boys Basketball Games - **8th vs. Jackson @ ROBERT E. LEE Gym**
7th vs Jackson @ Nimitz

Typically the Jackson MS game is a big game for us. It is a friendly rivalry since we will all be Volunteers in the future. The Lee Athletic Coordinator, Coach Kloza, offered the Lee gym to make this a special game for our 8th grade boys and will do the same for the 8th grade girls when we play Jackson. I hope that you can make it out to cheer on the Seahawks. There should be plenty of spirit on hand as the Lee Cheerleaders and Dancers will support both teams.

Just a quick reminder that as the weather gets cooler students may wear a Navy Blue or White jacket. Logos are allowed on the jacket as long as they are not offensive. Students also have the choice of wearing a Robert E. Lee sweatshirt/jacket or college sweatshirt/jacket. Also hats are not allowed at school at any time. If a student wears a hat to school they will be asked to take it off and put it in their locker during the school day. Thank you in advance for helping us be consistent with the dress code expectations.

Finally, PLEASE help us with ATTENDANCE. Our goal is to have 97% attendance for the year. Since we have returned from the holidays we are struggling to meet 95%. If your child wakes up in the morning and says "I don't feel well", take their temperature. If they do not have a fever send them to school. If they continue to feel bad we have a nurse on campus that can evaluate their condition and will call you if they need to go home. We want our students here everyday, please help us reach our goal.

Remember ATTENDANCE = ACADEMIC SUCCESS!

Sincerely,
Dana Stolhandske
