Dear David:

Several districts have asked that at least one of their books be returned and also have asked for the point totals. I have averaged the two reviewers' points and included in this letter. You will find your book (or books) also included. I hope that many of your will consider applying again for the 2010 award! We are working on the guidelines for next year and hope to receive them electronically. The board meets in April and we should have the final guidelines ready then.

Award of Merit Point Total 75.5

Recognized Status Point Total 23

Please feel free to call or email me with any questions.

Sincerely,
