### SCHEDULE SUMMARY

Print below the courses you have selected. Be sure you have selected seven (7) courses for each semester. If a course is a full-year course, list it in the first column with a line through the 2nd semester to hold the place.

Therefore, please list alternative courses in priority order (in case you have a scheduling conflict). You **MUST** select full year and semester alternate courses. **BE SURE to choose your alternates carefully. You may be taking them!**

**Schedule change requests must be made in writing to the counselor with parent signature by 4:30 p.m. June 10th. Both student and parent should understand that courses selected on this card are those that will be taken next year unless there is a scheduling conflict. Changes of mind or deciding that a course is too difficult will not result in a schedule change. Choose carefully and consider the work-load that is required for multiple Pre-AP, AP, GT, and advanced-level courses along with work or extra curricular activities. Deciding after school starts that the load is too heavy will NOT result in a schedule change.**
