Schedule change requests must be made in writing to the counselor with parent signature prior to June 10th. Student and parent should understand that courses selected on this card are those that will be taken next year unless there is a scheduling conflict. Changes of mind or deciding that a course is too difficult will not result in a schedule change. Choose carefully and consider the work-load that is required for multiple Pre-AP, AP, GT, and Advanced level courses along with work or extra curricular activities. Deciding after school starts that the load is too heavy will NOT result in a schedule change.
