8961 TESORO DRIVE – SAN ANTONIO, TEXAS 78217-6225

January 2010

Dear Parent/Guardian,

Attached you will find a copy of the State of Texas 2008-09 School Report Card for your child's school. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in the public schools. The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The information contained in the School Report Card is required by state law and is briefly described in the "2008-09 School Report Card Definitions" enclosed. This report may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the student performance information be provided for the state, the district, the school, and a group of schools similar to your child's school. Where possible, the information must be reported by ethnicity and socio-economic status of the students and must include at least two years of results.

A more complete report about your school, the Academic Excellence Indicator System (AEIS) report, is available from your school or can be accessed online at:

<http://www.tea.state.tx.us/perfreport/aeis/index.html>

Please contact your school's principal if you have any questions concerning this report card. Thank you for your continued support of your school.

Sincerely,

A handwritten signature in cursive script that reads "Alicia H. Thomas".

Alicia H. Thomas, Ph.D.
