

INSTRUCTIONAL RESOURCES:
FIELD TRIPS

EFD (R)

PRINCIPALS'
RESPONSIBILITY

The principal shall carefully consider each request for a field trip and shall approve only those trips that are planned with a definite instructional purpose and objective. Each school shall fund instructional field trips from the campus budget or other available Campus or Student Activity funds.

TRANSPORTATION

Transportation for all field trips shall be provided by the District. Reimbursement shall be made to the Transportation Department for NEISD bus usage. Use of private cars shall not be permitted for any field trips. [See FMG (R)]

Students shall not participate in field trips without the written consent of the parent or legal guardian. This consent shall be given on a form provided by the District. [See EFD (E)]

SYMPHONY
CONCERTS

All fourth and fifth grade elementary students shall each attend two professional student concerts annually. The Vocal Music Program Coordinator shall coordinate these trips with the Symphony and with the campuses.
