CROWD CONTROL

It is the responsibility of the Superintendent or designee to enact a crowd management policy for home athletic contests. This management must assure the safety of players, game officials, and coaches.

To ensure the above, pull-out bleachers at Blossom Athletic Center gym shall not be used unless an increased crowd in attendance dictates such. When this becomes necessary, school administrators shall be encouraged to seat their color groups in the pull-out bleachers first, then fill in with student body leadership in the remaining area.
