

**Attention all North East ISD employees:**

You recently received a Blue Cross and Blue Shield of Texas (BCBSTX) enrollment guide that includes benefit options and a benefit summary. Please refer to the Schedule of Benefits on page 8 of your guide. Under Routine Exams, certain lines showed copayments in error:

- Gynecological Exam
- Cancer Screening
- Well-child Care
- Immunizations

**These preventive care services will actually be covered at 100% in 2012 and will not require a copayment.**

A corrected enrollment guide reflecting no copays for these services has been posted on our North East ISD intranet site, along with a copy of this letter. We want to ensure our employees are aware of the changes to the booklet, and to encourage all North East ISD BCBSTX members to take advantage of these life-saving preventive services.

If you have any questions, please contact either Customer Service at the phone number on the back of your ID card, or contact the Employee Benefits office **at North East ISD**. We apologize for any confusion the error may have caused.

Thank you.
