Age Requirements: NEISD requires that all students be at least 15 years old on or before the first day of class and enrolled in high school. Students 18 and older may take this course, as long as they are enrolled in high school.

Contract Length: Students have nine (9) months from the first date of classroom instruction (in-person or online) to complete the NEISD Driver Education Course. Completion includes:

- Thirty-two (32) hours of classroom instruction with a passing grade of at least 70
- Seven (7) hours of in-car/behind-the-wheel training with NEISD instructors concluding in a passed driving test of at least 70
- Minimum seven (7) hours of in-car observation with NEISD instructors
- Thirty (30) hours documented in-car training with a licensed adult of 21 or older consisting of:
 - Twenty (20) daytime driving hours and ten (10) nighttime driving hours (sunset to sunrise)

Failure to complete all components in 9 months will result in a re-enrollment fee of \$125 to complete the course with NEISD

Grading/Progress: Progress standards must meet those of the Texas Department of Licensing and Regulation (TDLR). Evidence of course mastery will be determined through unit tests, written assignments, projects, presentations, skill performance checklists, and comprehensive examinations. Mastery is a prerequisite to earning a passing score of 70 or above.

Rules of Operation and Conduct: A student or prospective student may be dismissed or barred from the class for any violation of the NEISD Student Code of Conduct, being generally inattentive (sleeping, using phones) during class, or rude, vulgar, or disruptive behavior.

Refund/Cancellation Policy: Tuition will be refunded, less processing fee, when you cancel your class three business days or more before the first class meeting by 4:45 PM. If a request for a refund is made less than three

business days prior to the start of class, no refund will be made. Requests for refunds should be made to driversedu@neisd.net.

In-Car/Behind-the-Wheel Training: This program includes in-car/behind-the-wheel instruction in a fleet of NEISD vehicles with licensed instructors. Please see attachment A for instructions on creating an account for instruction **after** a permit is obtained. Any no-show or late cancellation (less than 24 hours in advance) will result in the student being charged a \$35 fee per occurrence. Students are legally required to drive with a valid, unexpired, physical learner license/driver license. Arriving at a drive without a license will result in a \$35 no-show fee. Students may **not** use a photo of their license to drive.

Sessions are completed in two (2) hour increments. Students must complete their thirty (30) hour practice log and have all hours input into Schedule2Drive before they are allowed to sit their final drive and obtain their certificate of completion.
