Dear PALS Parents/Guardians and Current/ Future PALS,

Over the past three months, we have been carefully following the directives coming from Governor Abbot's office regarding school and business closures. On June 21, 2020, Governor Abbott announced that COVID-19 positive cases and hospitalizations are continuing to rise at single-day record setting numbers. With this in mind and understanding that San Antonio is considered to be a hot-spot for COVID-19, we feel it is in the best interest to cancel the PALS retreat that was planned for July 27th and 28th. Please continue to hold these days open as we may have local small group training opportunities.

Current and future PALS will be contacted by their campus PALS sponsor about future required training and team-building opportunities.

Should you have any questions or concerns, please feel free to contact your PALS sponsor or our office.

Yours truly,
