CASTLE HILLS ELEMENTARY SCHOOL
**Program Description**

Castle Hills Elementary School is the only elementary magnet program in North East ISD, which means parents may choose to send their children here if they live within six feeder school areas, live in the Castle Hills attendance zone, or apply for School Choice from any NEISD schools.

This gives the school a unique and rich mix of student backgrounds and cultures from around the District. The faculty and staff of Castle Hills, as well as NEISD administration, have a strong commitment to this special program.

Upon enrolling, parents and students agree to uphold responsibilities to support and follow the school Student Code of Conduct, complete all academic work, and cooperate with the school's policies and procedures to remain at Castle Hills.

Castle Hills is one of 39 schools in the District that operates as a Leader in Me School, promoting leadership in all aspects of students’ educational experience.

**Features and Accolades**

**Application Process**

Registration begins the second week of February. Students from six surrounding schools are eligible to attend Castle Hills (Colonial Hills, Harmony Hills, Oak Meadow, Jackson-Keller, Ridgeview and Larkspur). Students living in the Castle Hills attendance area also qualify to enroll at any time. There is an enrollment cap. Everyone is placed on a waiting list for the desired grade level. If no space is available, your child’s name remains on the list for the remainder of the school year. You will be called as space becomes available. Other NEISD students may also apply through School Choice.
