## APPLY TO VOLUNTEER

---

Go to [www.neisd.net](http://www.neisd.net). Follow the “Volunteers” link in the red parent box, then go to “Online Criminal History Check.” The Code of Conduct will appear. Please read and then click “Agree.” Next you will be prompted to fill out the criminal history check form and click “Submit Release.”

Please allow one week for processing, then check with your school for your Volunteer Identification Number (VIN). If you provided an email address, you will receive an email with your VIN.

If you do not have access to a computer, your school can provide you with a paper application.

## VIRTUAL VOLUNTEER

---

Once you are approved to volunteer, you can use Virtual Volunteer for logging volunteer hours that you do at home or after school. However, you still must sign in at the office to volunteer during school hours while on campus.

In order to create an account for Virtual Volunteer your email address must be entered into V-soft by the district. Once your email is entered, this will generate an automatic email to you that will have a link for you to create your V-Volunteer account. Follow the directions to complete the process.

If you have any questions, please contact the Volunteer Program at (210) 407-0309, or email Brooke Pate at [lpate@neisd.net](mailto:lpate@neisd.net).
