

NEISD Student Voluntary Accident Insurance

Dear Parent:

North East Independent School District will make available the Student Accident Insurance Plan with Student Assurance Services, Inc. for the convenience of our students. This policy covers accidents incurred at school or while traveling to and from school. A 24-hour policy is available at an additional cost. The policy pays in addition to any other insurance.

Participation in this program is strictly voluntary. In accordance with the Texas Tort Claims Act, please be reminded the District cannot be responsible for costs of treating injuries or assume liability for any other costs associated with an injury at school or any school-related function unless the personal injury is caused by a district employee's negligent operation of a motor vehicle while performing district duties.

You may enroll in the program online at www.sas-mn.com. on the "student accident insurance" link on North East ISO web site www.neisd.net. by downloading the QR reader app onto your smart phone and applying or by completing the attached enrollment form and enclosing a check or money order. payable to "Student Assurance Services, Inc." Mail the enrollment form and payment directly to "Student Assurance Services, Inc." at the address noted on the form.

While the school district does not directly handle completed enrollment forms, we do want to make sure all parents have an opportunity to see the enrollment material.

Questions regarding the details of the coverage, which are not explained in the attachment, should be directed to the plan administrator at (800) 366-4810.

Sincerely,

Sean Maika, Ed.D.
