

Music Activities to Explore at Home

We miss everyone so much! We wanted to put together a few music resources for you to explore at home. All of these are completely optional. Have fun exploring and making music. We hope to see you soon!

❖ **Music activities for kids to do at home. This webpage is updated weekly.**

❖ **Rhythm Play Along Videos**

- **Grab a bucket, two spoons, or just clap along!**

<https://www.youtube.com/playlist?list=PLO2UG241-fB63suVbxi2Bx02LlvomKE1o>

❖ **Do you have a recorder at home? If you do, here is a playlist of songs to play along too.**

○ Remember to:

- Use warm air.
- Cover the correct holes.
- Left hand on top!

❖ **NEISD Fine Arts Challenge!!**

NEISD's Got Talent and we want to see it. As NEISD campuses are closed due to the COVID-19 virus, our teachers are working together to create engaging opportunities for our students to continue learning and growing.

Many of our students have been working hard for months preparing for various events, what better way to continue to celebrate students and staff, and the making of art, than to give our community a digital platform to showcase their fine arts talents!

You have 1 minute to show us NEISD's Got Talent. You must log in with your NEISD student email or NEISD staff email address. Please share the link below with your outstanding students. It is also a sharable post on the Fine Arts Facebook page. Feel free to incorporate the challenge into one of the digital assignments you've already created. Teachers are welcome to join the fun, and parents can even join in with their student to make a fun video.

Follow this link to join the fun! <https://flipgrid.com/f90275f5>
