

# Tex Hill Middle School Computer Science

## App Lab

App Lab is a programming environment where you can make simple apps. Design an app, code with blocks or JavaScript to make it work, then share your app in seconds.

Make an app

"Everybody in this country should learn how to program a computer... because it teaches you how to think."

- Steve Jobs

what is  
computer science?

## Fundamentals of Computer Science High School Credit for Course 3025 (Offered to 8th graders only)

Fundamentals of Computer Science is intended as a first course for those students just beginning the study of computer science. Students will learn about the computing tools that are used every day. Students will foster their creativity and innovation through opportunities to design, implement, and present solutions to real-world computer programming problems.
