

Careers in Aquatics

You have been tasked by an advertising agency to create flyers that advertize at least 4 different careers in aquatic or Marine Sciences. You are trying to sell applicants on joining the field.

Make sure to include the following information:

- **Name of career**
- **Requirements for employment (education, experience, etc.)**
- **Salary information**
- **Description of job responsibilities and duties**

Flyers can be made using the following:

www.weebly.com

www.smore.com

www.prezi.com
