

Marine Life Student Discovery Project

You have been invited to a middle school science class to present about marine species. You will need to create two presentations that includes the following information on your choice of marine species. Make sure your board is factual and appealing to the eye. Add pictures and videos where possible. Share with Mr. Larson when you have completed your board.

Presentation

- ___ SCIENTIFIC CLASSIFICATION (10 pts)
- ___ HABITAT & DISTRIBUTION (10 pts)
- ___ PHYSICAL CHARACTERISTICS (10 pts)
- ___ SENSES (10 pts)
- ___ ADAPTATIONS (10 pts)
