## ATTENDANCE

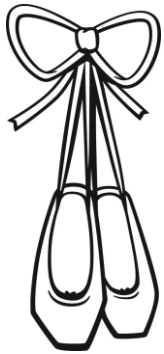

Students are required to dress out & actively participate daily. If you are going to be absent it is your responsibility to communicate with Mrs. Alanis and catch up on what you missed during that class. If you are late to class, you will receive points off on your weekly dress out grade.

## DANCE STUDIO

This beautiful studio is shared by 200+ students. Be respectful of "our home." No gum, food, drink, hairspray or wet shoes. Personal items should be placed inside lockers during class time. Unclaimed items will be thrown away. Cell phones must be turned off during class time.

## SPIRIT LOCKERS

Students will be issued a spirit locker. No food can be stored in your locker & lockers can only be accessed during class time--this means no locker access during lunch time! Do not share your locker combination with anyone & always make sure your locker is always secured. YOU are responsible for your items.

## Performance Opportunities

All dancers will be required to perform at the end of year LEE-ETTE Spring Show. You will perform one routine twice at both the Thursday & Friday show in May. This will be a major grade and a fun opportunity for all. More information will be given during 2<sup>nd</sup> semester.

## BEHAVIOR & STANDARDS

All dancers will be held to the highest standards of academics, honesty, integrity, and values. Behavior in and out of the studio is always expected to represent our class in the best and most positive manner. You are representing the LEE Dance Department.
