CAST AUDITIONS: Monday, August 19, 2019

One of the monologues on the monologue sheet MUST BE MEMORIZED for your audition

If there is no monologue for the character you would like to play, sign up to audition and show us how you would act out your dream part! There are no small parts -- every character is important!

AUDITION TIPS:

BE PREPARED: Memorize the material requested.

SMILE AND ENJOY THE AUDITION PROCESS: Have fun! Do not be afraid to let your unique personality show. Do your best even if you feel nervous or awkward.

SHOW GOOD BEHAVIOR: How well you behave can be more important than how well you sing, act, or dance.

TRUST THE DIRECTOR'S CHOICES: There are only so many leading roles. Trust the Director's judgment regarding who fits which part best. The Director see all the auditions.

GOOD LUCK!!! The Director and Parent Volunteers want you to do well!

Thank you for your support of the arts at CHE!
