

Welcome to Larkspur Elementary! This is my 4<sup>th</sup> serving as one of the campus Assistant Principals. I have served as a school leader for the past 13 years as an Assistant Principal, Reading Coach, and Instructional Intervention Teacher. I have been a part of the NEISD community for 17 years.

I was born and raised in San Antonio and I am a graduate of Thomas A. Edison High School. I received my bachelor's degree from the University of Incarnate Word and my master's degree from UTSA. I have 3 children and my husband is also an educator. He teaches PE and coaches track and cross country. We love to spend time together with our families and enjoy our activity-packed weekends.

I believe that every child has the opportunity to succeed. Parents and educators must work together to encourage a positive attitude in students to help them believe that the sky is the limit. As educators, we are here to instill a love of learning and help students to achieve their dreams.

Please stop by and say hello. I look forward to a wonderful year of seeing old faces and meeting new ones this school year!
