Dear Students, Staff, and Parents,

We want to remind you that North East Independent School District is committed to addressing incidents of bullying conduct of any kind, especially in regard to race, color, national origin, disability, or sex (including sex stereotyping/gender-based harassment). If you wish to report any instances of bullying or harassment, I would like to encourage you to report this to any campus staff member. You may also make the report directly to me.

After an investigation into the alleged claims, students found to have engaged in bullying, harassment, or other acts that create a hostile environment based on race, color, national origin, disability, or sex (including sex stereotyping/gender-based harassment) will be promptly disciplined in accordance with the NEISD Student Code of Conduct. NEISD also prohibits retaliation by the NEISD against individuals for opposing an act or policy that is unlawful under any of the laws enforced by the Office for Civil Rights, including Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Age Discrimination Act of 1975.

Sincerely,
Peter A. Martinez
Principal, MacArthur High School
