

## JAG NEWS

3/23/20

Students, Parents, & Guardians of Johnson High School,

As we start Distance Learning today, please understand that we will continue to tweak and adjust our plan as we move along with this new aspect of education. Please do not hesitate to email your child's teacher with questions or email myself or your child's administrator/counselor regarding school questions. We are here to help you and your child(ren) through this phase of learning.

There are still a lot of questions for students, parents, and guardians involving every aspect of their education and what is happening. Please continue to check the NEISD website <https://www.neisd.net/> for current information on the status of schools. As of today, school is closed through April 3<sup>rd</sup> with hopes to reopen on Monday, April 6<sup>th</sup>. We will continue to include updates on the Johnson Facebook and Twitter links below. Please continue to check your emails for updates every day. There is a TV press conference scheduled for 6 PM tonight with news from our Mayor.

This letter is highlighting a few of the great accomplishments of the students, but not all! There are numerous activities, contests, concerts, and games taking place every week at Johnson!
