Parents & Guardians of Johnson High School,

The Fall athletic groups are going full speed at this time and will be starting District play soon. Fine Arts events are gearing up for their first performances soon. This week we start our Flex bell schedule on Tuesday and Wednesday. This schedule is attached.

This letter is highlighting a few of the great accomplishments of the students, but not all! There are numerous activities, contests, concerts, and games taking place every week at Johnson!

Johnson HS Information

Lifetouch Studios will be on campus beginning Wednesday, September 11-13 to photograph underclassmen. Students will be escorted to the library to be photographed by Lifetouch during their English class.

Freshmen will be photographed on Wednesday, September 11.

Sophomores will be photographed on Thursday, September 12.

Juniors will be photographed on Friday, September 13.

Students should have received the photo package order form from their English teachers. If they did not receive a form, we will have extras at the library or in room A128 on campus. All orders with payment will need to be turned in to Lifetouch when the student is photographed. Please do not turn in payment to the school before the photography dates. If your child misses their picture date or needs a retake, picture retakes will be on Monday, October 28th.

These photos will be used in the yearbook. Today and every day students must adhere to the dress code in the NEISD student handbook. If a student is photographed and is not in dress code, he or she could have their image removed from the yearbook.

Finally, if your student is a senior – they will not be photographed next week. Seniors must make an appointment with Prestige Portraits to be photographed in their cap and gown for the yearbook. Prestige can be reached at (210) 691-1284.

Thanks – and please contact the journalism adviser at vjewet@neisd.net should you have any questions.
