

Community Service Awards at LEE Campus

Students are now able to record volunteer hours through the NEISD website to qualify for both the President's Volunteer Service Award (PVSA) and the NEISD Student Volunteer Service Award (SVSA). All students are able to log in through the student portal. Parents are able to log into the system to help their student record hours through the parent portal if needed. Students only need to log hours once on the NEISD website to qualify for both awards. Please confirm with your respective program/school whether service hours are required and/or need to be logged.
