Other ideas:

- Project Linus-blankets for children in need
- Beanies and blankets for preemies-check with your local hospital
- Food, diaper or clothing drives (coats and blankets especially for winter).
The foodbank and homeless shelters always need donations.
- Cards for hospital and nursing home patients
- Cards for military, first responders and veterans
- Donating blood
- Virtual tutoring
- Virtual story time for younger relatives or family friends

DIY for Animals

Make surgery slings for post op pets to keep them from biting or scratching their stitches-contact vets and shelters (picture at right)

Kennel comforters/blankets for animal shelters and rescue centers
(call for sizes needed)

Fun Animal Enrichment Projects

Make animal enrichment toys for your local animal shelter or your own pet. Check out Pinterest or some of the links below to make easy toys, with mostly recycled goods.
