9/17 (Thursday) 9:00 am - Noon Region 20 Live Webinar “Parenting in the Digital World”

(Our children's access to technology can both empower and endanger them. Come to this training to learn what to look out for as parents in your child's digital interactions. What is reasonable in usage? How do you find out about apps, games and websites? Should children and teens have social media accounts? How should you handle cyberbullying? You will leave this training with practical advice and tools to assist you in your role as a 21st Century parent!)
