**Let's get Healthy Together through Walking:** The purpose of this class is to assist the student in the improvement of their cardiovascular fitness through walking

**From Unorganized, Unfocused and Unprepared to Thriving in the Classroom (Region 20):** This training will focus on ways in which parents and teachers can use appropriate strategies to support children's developing executive skills, while helping improve academic performance.

**Trauma Informed Parents, Guardians, and Community Members (Region 20):** This training will discuss how adults can begin to understand the role of trauma, its effects on children and learning.

**Developing Digital Responsibility (PPE):** To educate parents and prepare them for their children's use of digital devices.

**The 5 Love Languages:** Learn which one you are and how it applies to the home.

**Helping Guide the Rollercoaster of Emotions in Children:** Providing information to help understand their behaviors and emotions in each area as well as how to help them manage and cope.

**Accessing Information on Special Education and Regulations:** This training will provide an exploration of several websites that contain resources regarding the rights and responsibilities of stakeholders in Special Education.

**Grandparents Raising Grandchildren (PPE):** To increase grandparents' awareness of changes in parenting support domains during the last generation.

**In Depth with STAAR Testing Accommodations:** Come go in-depth with the accommodations that are approved for use on the STAAR test for ALL students.

**Military Families in Schools (PPE):** Long-Distance Parenting Specific to Deployed Parent(s).
