DESCRIPTIONS

Coffee With Counselors:

Provides parents with information and resources to help parents develop a support network. We recognize that many parents have similar questions regarding how to navigate through their child's everyday life. Our class is a great venue to meet other parents who share common experiences.

ESL Class:

English as a Second Language (ESL) is a program of instruction designed to help individuals achieve competence in reading, writing, speaking, and comprehension of the English language. Beginners, intermediate, and advanced levels welcome. Classes for adults who do not speak English as their first language

Family Garden Club:

Come and learn how to plant your own family vegetable garden! You will learn gardening tips to maintain healthy plants! We will discuss what types of plants and vegetables are good starting points! We will share nutrition information along the way and will provide materials for you to get started! This is a great activity to maintain a healthy mind and a healthy body! We hope you will join us!

Daddy or Mommy & Me:

Do you have a 2-5-year-old that is not in school? We have a great interactive program for you! Join us for this web series starting on October 21st! Each week we will read books and participate in educational activities! Students will receive FREE books during each session and can meet other preschoolers.
