If your letter is to be sent via email what is the email address and subject:

\_\_\_\_\_

List the colleges you are applying to and your probable major for each

College	Major

List some occupations you are considering, and briefly explain what it is about the career fields that interest you:

1.

2.

What are you most proud of about yourself?

Do you work? If yes, what have you learned at your job that school could not have taught you?

Please list any work experience you have had:

Place of employment

Job Description

Dates of Employment

---

How do you like to spend the money you earn?

What has been your favorite class taken in high school? Why?

What event or activity (positive or negative) has had the most impact on your life? How has it shaped you as a person?

Pick three words to describe who you are:

- 1.
- 2.
- 3.

Please list any activities you have participated in during high school, including school co-curricular/extracurricular activities, religious activities, and volunteer and community service (or attach a resume)

Considering both in-school and out-of-school activities, which activity do you spend the most time doing?

WHY do you spend the most time doing that activity?

I would be happy if I am able to do the following work as an adult:

Is there anything I should know that impacts who you are? Impacts your grades? Your view of the world?
