

North East Independent School District

8961 Tesoro Drive, San Antonio, TX 78217

Dear Parents/Guardians and Students,

NEISD will provide an opportunity for all juniors to take the PSAT/NMSQT exam in the fall of 2020 and the SAT exam in spring of the 2021 school year at no cost. If juniors are unable to test on October 29, 2020, there will be a make-up administration on January 26, 2021. Students should contact their CCMR Specialist to register. Additionally, due to the school closures last spring, we will provide seniors an opportunity to take the SAT exam in the fall of 2020 at no cost. These exams will be administered in-person at each of our high schools. The campus staff will complete the registration process for all juniors and seniors.

Due to COVID-19 and the increasing number of students returning to campus during fall testing, we will provide freshmen and sophomores an opportunity to take the PSAT/NMSQT on January 26, 2021. Students interested in this opportunity will register with the CCMR Specialist by November 13, 2020.

As we develop our testing plan, we will remain committed to the health and well-being of all students and staff by creating a safe testing environment. We will carefully follow and communicate the guidelines issued by the CDC and the Metro Health Organization of San Antonio.

If there is a cancellation for any of the listed exams, Guidance Services will post the changes to the NEISD website immediately and notify students and parents/guardians.

At this time, the testing plan for NEISD students is listed below.

- **October 14, 2020 - SAT School Day** to all 12th grade students
- **October 29, 2020 - PSAT/NMSQT** to all 11th grade students

- **January 26, 2021 – PSAT/NMSQT** 9th and 10th graders
