- Failure on an EIGHTH GRADE STAAR TEST may require placement in alternative elective courses.
- CHOOSE CAREFULLY. There is a **May 28, 2021 deadline** to make changes. Scheduling of classes for the 2021-22 school year will be based on your selections. Students who do not submit changes prior to the deadline may not have their request honored. It is critical that students select alternate courses in the case that scheduling or staffing results in the non-scheduling of a class.
