Failure on an EIGHTH GRADE STAAR TEST may require placement in alternative elective courses.

CHOOSE CAREFULLY. There is a June 6, 2019 deadline to make changes. Scheduling of classes for the 2019-2020 school year will be based on your selections. Students who do not submit changes prior to the deadline may not have their request honored. It is critical that students select alternate courses in the case that scheduling or staffing results in the non-scheduling of a class.
